Digital Info Security Company Attending NASD Spring Securities Conference

Westminster, CO—May 8, 2007—Digital Info Security Company (DGIF), a world-class applications service provider, will showcase its IT solutions at the 16th Annual NASD Spring Securities Conference May 22-24 in Chicago, IL.

DGIF will cater to compliance and legal professionals from around the country by featuring its reliable, user-friendly Email Archiving and Compliance Solution. DGIF will also demonstrate its remote backup solution, RestoreRex, and its high-performance family of products including Instant Message Archiving, BlackBerry Hosting and Web Hosting.

The annual conference is a forum for exploring the industry's most recent updates in securities compliance and regulation. The event will feature insights from industry experts, workshops, discussions and networking opportunities.

ABOUT DIGITAL INFO SECURITY COMPANY

Digital Info Security Company (DGIF) provides secure, world-class hosted Email Archiving, Email Surveillance, Spam Filtering and Virus Protection, Encryption, Instant Message Archiving, Remote Backup and Restoration, Colocation, BlackBerry Hosting and Website Hosting.

Digital of Colorado purchased an email archiving company in April 2005, and has since expanded its infrastructure to include a state-of-the-art data center. DGIF's management has many years of experience in internet security, SEC, HIPAA and other regulatory compliance solutions.

SAFE HARBOR STATEMENT

Matters discussed in this press release contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. When used in this press release, the words "anticipate," "believe," "estimate," "may," "intend," "expect," and similar expressions identify such forward-looking statements. Actual results, performance or achievements could differ materially from those contemplated, expressed or implied by the forward-looking statements contained herein. These forward-looking statements are based largely on the expectations of the Company and are subject to a number of risks and uncertainties. These include, but are not limited to, risks and uncertainties associated with: the impact of economic, competitive and other factors affecting the Company and its operations, markets, product, and distributor performance, the impact on the national and local economies resulting from terrorist actions, and U.S. actions subsequently, and other factors detailed in reports filed by the Company.
