Digital Info Security Company to Attend The IT Summit in Denver

Westminster, CO, May 10, 2007—Digital Info Security Company (DGIF) will exhibit its world class IT solutions at The IT Summit in Denver, CO on May 30, 2007. The IT Summit will be held at the Colorado Convention Center, 700 14th Street, Denver, CO 80202, from 8:00 a.m. to 3:00 p.m.

DGIF will feature its Email Archiving and Compliance Solution and its remote backup solutions at the annual information technology conference series. DGIF will also showcase its secure Data Center and high-performance family of IT solutions at the event.

ABOUT DIGITAL INFO SECURITY COMPANY

Digital Info Security Company (DGIF) provides secure, world-class hosted Email Archiving, Email Surveillance, Spam Filtering and Virus Protection, Encryption, Instant Message Archiving, Remote Backup and Restoration, Colocation, BlackBerry Hosting and Website Hosting.

Digital of Colorado purchased an email archiving company in April 2005, and has since expanded its infrastructure to include a state-of-the-art data center. DGIF's management has many years of experience in internet security, SEC, HIPAA and other regulatory compliance solutions.

ABOUT THE IT SUMMIT

The IT Summit is a conference series for leaders from the government, education, economic development and corporate communities. The purpose of the conference is to support economic development, education, and the proliferation of information technology. The conference will feature a full day of presentations, networking, and exhibits.

SAFE HARBOR STATEMENT

Matters discussed in this press release contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. When used in this press release, the words "anticipate," "believe," "estimate," "may," "intend," "expect," and similar expressions identify such forward-looking statements. Actual results, performance or achievements could differ materially from those contemplated, expressed or implied by the forward-looking statements contained herein. These forward-looking statements are based largely on the expectations of the Company and are subject to a number of risks and uncertainties. These include, but are not limited to, risks and uncertainties associated with: the impact of economic, competitive and other factors affecting the Company and its operations, markets, product, and distributor performance, the impact on the national and local economies resulting from terrorist actions, and U.S. actions subsequently, and other factors detailed in reports filed by the Company.
