Digital Info Security Company to Showcase IT Solutions at AICPA Tech Plus Conference

Westminster, CO, May 29, 2007—Digital Info Security Company (DGIF) will join top technology exhibitors to showcase its world-class IT solutions at the 2007 AICPA Tech Plus Conference June 10-13 in Las Vegas, NV.

DGIF will highlight its Email Archiving & Compliance and Remote Backup solutions at the annual information technology conference. DGIF will demonstrate to CPAs, IT consultants, CIOs, CTOs, financial professionals, and industry managers the benefits of its low cost, scalable family of IT solutions and how they can be easily implemented into any business as integral tools for compliance.

The AICPA Tech Plus Conference attracts 600 attendees and serves as a forum to strategize about technology and best business practices. The conference offers sessions with the latest information on new products, keynote presentations by top staff at Google and Adobe, learning lab demonstrations, and hands-on training on integrating technology into businesses.
