

## Digital Info Security Company and DGF MedServ Take Ownership Positions in Each Other

Tuesday February 26, 2008, 9:10am ET

WESTMINSTER, Colo.--(BUSINESS WIRE)--Digital Info Security Company (OTC Pink Sheets: [DGIF](#), [News](#)), is pleased to announce further advancement in its partnership with DGF MedServ, Inc. The two companies have agreed to take ownership positions in each other's company and are rapidly moving forward in their marketing plans.

DGF MedServ and Digital Info Security Company (DISC) began a strategic partnership in October 2007 when DGF MedServ became a reseller of DISC's IT solutions to serve the medical industry. The relationship permits DISC to service clients worldwide, while equipping DGF MedServ with an expanded product offering for its customers and the opportunity to leverage DISC's Singapore facility.

With an established network and client base of hospitals, clinics and other health care entities, DGF MedServ provides an excellent opportunity for increased sales of DISC's HIPAA compliant Magic KeyRing Security System™ encryption product, secure email and data backup services, and full line of IT solutions.
